BRUIN FOOTBALL 1961

1961 FORECAST:

A Year of Challenge and Advancement!

LAST football season UCLA initiated an exciting venture that combined "the thrill of sport with the advancement of education." The Department of Intercollegiate Athletics awarded five $1000 Graduate Fellowships from the proceeds of five 1960 home games for deserving students representing five departments of the University: English, French, Germanic Languages, Philosophy and Geography.

Because academic and athletic challenges share the common goal of excellence, this Graduate Fellowship Program was heralded by many legislators, educators, coaches and community leaders as a unique and happy marriage between the sport of football and the advancement of graduate education.

The 1961 UCLA football season again will find our Department of Intercollegiate Athletics saluting five departments of the University with graduate fellowships: Theater Arts, Music, Art, Oriental Languages and Slavic Languages.

These five departments will be individually honored at the Vanderbilt, Pittsburgh, California, Texas Christian, and Washington games in Los Angeles Memorial Coliseum. From the proceeds of these games five $1000 Graduate Fellowships will be created for five graduate students who will be recommended by each honored department.

The continuation of the Department of Intercollegiate Athletics' Graduate Fellowship Program gives further assurance that UCLA's 1961 academic and athletic challenges will be met with the same sense of purpose, ingenuity and spirit that has, we believe, characterized UCLA men and women through the years.

. . . And a Year in Which the Bruins Play a Truly All-American Schedule!

The 1961 UCLA schedule on the following page is not only one of the most attractive and toughest in the Bruins' 42 years of intercollegiate football competition, but also is a truly "All-American" slate in which top opponents from every section of the country are represented:

The Air Force Academy, Uncle Sam's youngest military school, located in the Rocky Mountains and playing a strong independent schedule . . . Michigan, a Big Ten power of the Midwest . . . Ohio State, another traditional Big Ten powerhouse . . . Vanderbilt, a famous Southern school in the Southeastern Conference . . . Pittsburgh, an Eastern independent of top stature . . . Stanford, a long-time rival and fellow Big Five member . . . California, the Berkeley "brother" of the Big Five . . . TCU, colorful Texas foe of the Southwest Conference . . . Washington, the Big Five member from the Northwest . . . and USC, the arch crosstown and Big Five rival.

THE 1961 BRUINS

RETURNING VETERANS — 24 returning lettermen from 1960, including 3 ends, 6 tackles, 4 guards, 2 centers, 3 blocking backs (qb), 2 tailbacks (lh), 1 wingback (rh), 3 fullbacks. Of these, 11 are two-year vets. Major position change planned is Kermit Alexander from fullback to wingback. Included are 15 returnees who started games last season, topped by left tackle Steve Bauwens, who started nine of 10 games. Other starters are: right Tackle Marshall Shirk and blocking Back Bob Stevens, 7 each; Center Ron Hull, right Guard Dave Stout and Tailback Bob Smith, 4 each; right Tackle Phil Oram, Fullback Almose Thompson and Wingback Joe Rosenkrans, right Tackle Joe Bauwens and blocking Back Joe Zeno, 1 each. Most honored returnees are Steve Bauwens, who made AP All-Coast First Team; and Marshall Shirk, who was AP and AAWU First Team All-Big 5 selection.

LOSSES—15 lettermen, including 4 ends, 2 tackles, 2 guards, 1 center, 2 blocking backs, 1 tailback, 2 wingbacks, 1 fullback. Eight were starters. Chief loss is All-American Tailback Bill Kilmer, who was 1960 U. S. total offense leader, a consensus All-American, set a UCLA record for single game rushing yardage and single season total offense. A great passer, runner and punter, Kilmer's triple-threat talents will be missed. Marv Luster, All-Coast end selection; Jim Johnson, a great wingback, and his equally great wingback running mate, Gene Gaines; and All-Coast left Guard Jack Metcalf are other honored players who have graduated. In addition there are Fullback Skip Smith, who made All-American Academic Third Team; right End Earl Smith; right Guard Dave Dabov; blocking Back Duane Wills; and Captain and the Center Harry Baldwin. Reserve strength was lost in the form of Tackle Tony Longo, End Craig Chudy, Blocking Back Ivory Jones, End Jim Stanley and Tackle Tony Albany.

PROMISING SOPHS—Several promising sophomores are led by blocking Back John Lo Curto, 1960 Brubabe captain; Tackle Kent Francisco, who was an injured member of the Brubabes but had an outstanding prep career; Ends Rick Fries and Mel Profit, who sat out last year after performing well on the 1959 Brubabe team. Set to join the list of top Bruin tailbacks is '60 Brubabe Mike Haffner.

OFFENSE—Coach Bill Barnes has added to the versatility and crowd-appeal of the Bruins' basic balanced-line multiple Single Wing attack by adding his colorful "W-Formation," Wingback Flanker, End-Over and Wingback-In-Motion formations. These give UCLA offense as much or more passing strength and certainly more and tougher running power than the heralded T-Formation spreads, splits and flankers.

PASSING—The burden of the UCLA aerial game — one of the best in the nation last fall—rests on the Bruin tailback. Success in this department hinges on two returning lettermen, two-year vet Bob Smith and Ezell Singleton, plus non-lettermen Rob Smith and Keith Jensen. Bob hit on only one out of ten for a minus three years last fall, Rob hit one out of four for 15

THE 1961 BRUINS

(Continued)

yards, Singleton two out of four for 36 and Jensen, possibly the most talented tosser, got four for six and 49 yards. None connected for TD tosses. Obviously the Bruins will miss Kilmer's great 64 out of 129 for 1086 yards and eight touchdowns. All returnees have some potential, but it remains to be seen who will stick his nose out in front. In the versatile Bill Barnes Multiple Single Wing attack, passing is all-important so a come-through effort is vital.

RUNNING—In the single Wing, rushing is traditionally rugged with plenty of double-team blocking in front of the ball-carrier. The Bruins not only lost their top passer, but also their top runner in Kilmer, who toted the ball 163 times for 803 yards and a 4.92 average. This season it appears that while the running game will probably be better than the UCLA passing, Coach Barnes still must develop all positions in the backfield. Tailback Bob Smith, was second in rushing behind Kilmer with 281 yards in 54 carries for a fine 5.21 average and could develop into a real ball of fire; but behind him Skip Smith and Jim Johnson, fullback and wingback have graduated after running up 409 yards between them. Tailback Ezell Singleton, who will go into practice behind Bob Smith, has shown flashes of real elusiveness, but his 161 pounds and relative inexperience are against him. Rob Smith has shown a toughness and willingness, but also needs seasoning. Keith Jensen has not measured up as much in the running department. At wingback 170 pound Joe Rosenkrans, mainly a defensive specialist for two seasons, was tabbed first until ex-Fullback Kermit Alexander came up with a great Spring Practice performance. Fullbacks Almose Thompson and Mitch Dimkich, who performed in '60 behind Skip Smith, return to their spot and ex-quarterback Joe Zeno will work with them. The all-important quarterback position has vets Bob Stevens and Jim Bergman, in addition to a promising John Lo Corto, up from the frosh. Only Singleton and Thompson gained over 100 yards during the 1960 season; thus, come-through performances at every backfield position are a must.

THE LINE—While the Bruins lose fine ends in All-Coast Marv Luster, Earl Smith and Craig Chudy, UCLA will have another of its fine forward walls. With good size, strength and experience in tackle spots, the Bruins appear stronger. All-Coast left Tackle Steve Bauwens and All-Big Five right Tackle Marshall Shirk lead a big crew that includes Foster Andersen, Tony Fiorentino, Phil Oram, and Joe Bauwens, brother of Steve. The Bruins, with 199-pound Ron Hull back at center, and fine guard starters in Frank Macari and Tom Paton, hope to remain as strong in the middle. Although possessing excellent starters in left End Don Vena, who caught nine passes for 120 pards and two touchdowns, and Tom Gutman, who got four for 49, more help is needed behind them.

THE 1961 BRUINS

(Continued)

THE STARS—Ronald E. "Ron" Hull, two-year letterman, who played 296 minutes last fall at center and linebacker. He logged more playing time last season than 1959 All-Coaster Harry Baldwin. Played prep ball at Wilson Hi, Los Angeles, and at Citrus Junior College, Azusa, California, before enrolling at UCLA.

Chester Marshall "Marshall" Shirk, two-year letterman, who played 278½ minutes last season as starting right tackle. All-AAWU (Big Five) selection in 1960, Shirk is the bulkiest man on the team, weighing in at 230 last fall. He could be an all-time Bruin great. Tremendous strength and power. Played prep ball at Anaheim, Calif., Hi, where he won All-American High School honorable mention.

Bobby Lee "Bob" Smith, two-year letterman, who played 280 minutes in 1960 behind All-American Bill Kilmer at both tailback and defensive safety. A speedy ball-carrier, who has shown flashes of greatness, Smith attended both Compton, Calif., high school and junior college before enrolling at UCLA. He is a sprinter and broad jumper on the UCLA track team.

THE OUTLOOK—Coach Bill Barnes, recognizing the problems presented by UCLA's 1961 "All-American Football Schedule" with teams from every part of the country, says the Bruins could possibly be as good as the 1960 team, which had a 7-2-1 record. Yes, it could be as good and still fail to have as good a record. Also Barnes says, "It will be a good UCLA team if we get the normal good breaks injury-wise and luckwise. I feel we can beat any team on our schedule on a given Saturday, but the reverse is also true, which should make it fun for the fans. At any rate, we expect a good, snappy, hard-hitting Bruin team."

THIRD SEASON AT HELM

WILLIAM F. "BILL" BARNES

Head UCLA Football Coach

THIS is Bill Barnes' third season at the UCLA football helm. He goes into the 1961 campaign with two winning years behind him—and a solid Bruin record of 12 wins, 6 losses and 2 ties in playing the two toughest schedules in UCLA history. He has lost only three of his last 15 games and two of those were to Syracuse, 1959 national champions, and Washington, 1960-61 Rose Bowl titliests.

Actually, the '61 season will be his 17th year in the football coaching profession—one as a freshman assistant at University of Tennessee, his alma mater, in 1940; four as end coach and scout at University of Arkansas from 1946 through '49; eight as a top assistant at UCLA from 1950 through '57; one as first the senior aide and then acting head coach at UCLA in 1958; and now he's in his third year as the Bruin boss.

In two seasons at the Bruin helm, Barnes has already established himself as one of America's outstanding coaches. He's augmented the basic balanced-line Single Wing offense with crowd-appealing spread and flanker formations that helped the dangerous Bruins average more than 300 yards—323 per game, to be exact—last year.

He served with distinction as the head coach of the West team in last year's East-West Shrine game in San Francisco. The previous year he was a staff member of the West squad in this post-season classic. He's now been appointed the head coach of the West team in the 1962 Hula Bowl in Honolulu, to be held early next January.

Barnes, who came to UCLA in 1950 as end coach and head scout, was officially signed in December, 1958, as UCLA's ninth head football coach.

Bill was a versatile gridder at Tennessee under the great Gen. Bob Neyland. As a sophomore in 1937, he performed at wingback (rh). Then as a junior in '38, he was a blocking back (qb). As a senior in '39, he was an end. He and the Vols, by the way, played in the 1939 Orange Bowl and the 1940 Rose Bowl.

Although born in Missouri, he lived most of his life in Tennessee and prepped at Memphis Central High where he was picked on the 1935 All-Southern prep all-star team. He graduated from Tennessee in 1941 with a degree of Bachelor of Science in Education.

He served in the Army (1942-46) during World War II and was honorable discharged with the rank of Major. While in the service he was awarded the Legion of Merit, Silver Star and Bronze Star. After leaving the Army, Barnes went to Arkansas for four seasons (1946-49). Coaching there was very pleasurable to Bill, because that is where he met his charming wife, the former Frances Tow.

THE STAFF

HERBERT B. "DEKE" BRACKETT—(Tennessee '34)
Senior Assistant

This is the 16th straight season that Bill Barnes and Deke Brackett have been coaching associates, including four at Arkansas (1946-49) and now 12 at UCLA. Deke is now in his third season as Bill's senior assistant, a position which entails additional staff work besides his backfield coaching duties, particularly with the tailbacks.

Also like Barnes, Brackett is a Tennessee alumnus. After prepping at Knoxville (Tenn.) High, he entered Tennessee and won honorable mention on the late Grantland Rice's 1931-32-33 All-American teams as a quarterback. He graduated in 1934 after serving as student body president during his senior year.

Deke also has coached at Tennessee (1935-36), The Citadel in Charleston, S.C. (1937-38) and Hampden-Sydney College in Virginia (1939-40). After a four-year stint in the Navy (1942-46), from which he was discharged as a lieutenant commander, he was signed by Arkansas as a backfield coach and also head baseball coach.

Deke is wed to the former Hazel Bowman and they have two children, Herbert, Jr., 20, now a junior at UCLA, and Sallye, 13.

JOHN L. "JOHNNY" JOHNSON—(UCLA '47)
Assistant

Johnny Johnson is now in his 12th season on the UCLA staff, including eight years (1950-57) as the head frosh coach and now in his fourth on the varsity staff as a backfield mentor.

His 1955 Brubabes were the first and still the only undefeated and untied freshman football team in UCLA history.

After prepping at Bakersfield (Calif.) High where he won All-San Joaquin Valley honors as a back, Johnny came to UCLA and captained the 1939 frosh gridders. He then missed a year of competition but returned as a Bruin fullback in 1941. In the Naval Air Corps from 1942-46, he was discharged as a lieutenant. He returned to UCLA and played on the Pacific Coast Conference championship and Rose Bowl team of that season as a fullback.

He's still a very eligible bachelor.

SAM BOGHOSIAN—(UCLA '55)
Assistant

This is Sam Boghosian's fifth season on the UCLA staff, his third as the Bruins' head line coach.

After serving as an assistant freshman coach for two seasons (1955-56), Sam was named to the varsity staff in 1957 and has been an important member ever since.

After prepping at Fresno (Calif.) High where he was an All-City lineman for two years and also won All-Northern California acclaim, Sam came to UCLA and went on to more stardom (1951-54) in both foot-

ball and rugby. He topped an outstanding Bruin career by winning All-Coast honors as a guard on UCLA's undefeated and untied Pacific Coast Conference and national championship team of 1954.

Sam, 29, is married to the former Judy Busch and they became the proud parents of a husky young son, John James, last May.

ROBERT L. "BOB" BERGDAHL—(UCLA '57)
Assistant

This is Bob Bergdahl's fourth season on the Bruin staff, his third as a varsity aide after serving as the head frosh mentor in 1958. He's the end coach and also directs the scouting of UCLA opponents.

After prepping at Fairfax High in Los Angeles where he starred in both football and track, Bob became one of UCLA's all-time best blocking backs (quarterback) for his varsity play during the 1954-55-56 seasons. He was the 1953 frosh team captain. Besides winning All-Coast honorable mention, he was voted the N. N. Sugarman Trophy for "best spirit and scholarship" among the 1956 Bruins. He also starred in rugby at UCLA for four years.

His father, Len Bergdahl, was a great UCLA quarterback in 1930-31-32. Bob, 25, is married to the former Judy Berry and they have two children, a daughter, Jill, 3½, and a son, Bobby, 1½.

DANIEL E. "DAN" PETERSON—(UCLA '58)
Assistant

Dan Peterson is in his fourth season on the varsity staff and works with the centers and linebackers and also scouts.

Dan, whose playing weight fluctuated between 158 and 161, was rated the most outstanding football lineman pound-for-pound on the Pacific Coast in his senior year (1957) at UCLA. A center and linebacker, he also lettered in 1955 and '56. Besides winning All-Coast honorable mention, Dan won the Los Angeles Bruin Club trophy as the 1957 Bruins' "most outstanding senior." He also starred in rugby three years.

His identical twin brother, Dave, also played at UCLA, winding up his three-year career as a blocking back in 1958. Dave is now an assistant football coach at Citrus (Calif.) JC. Both the Petersons prepped at Santa Monica (Calif.) High where they both won All-CIF honors.

Dan, 25, is still a bachelor.

JAMES R. "JIM" DAWSON—(UCLA '59)
Assistant

Jim Dawson is now in his fourth year on the Bruin staff as the coach of the tackles and he's also a scout.

Even though handicapped by injuries, he's still rated one of the Bruins' finest all-time tackles off his play in 1956-57-58. He served as varsity captain in his junior year and alternate captain in his senior year which ended abruptly in the opening game because of

a shoulder injury. Shortly afterward, however, he was added to the varsity staff that same 1958 season.

He prepped at Van Nuys (Calif.) High where he played at several positions, including T-formation quarterback. He then came to UCLA and immediately established himself at tackle. He won All-Coast honorable mention as a junior and appeared certain to win more "All" acclaim as a senior.

Jim, 24, is married to the former Colleen O'Sullivan and they have two children, a son, Daniel, 3, and a daughter, Shannon Colleen, 1.

JOHN W. "JOHNNY" HERMANN—(UCLA '56)
Head Freshman Coach

Johnny Hermann is not only the head freshman coach but also helps with the varsity coaching and scouting. This is his third year on the staff and he boasts a solid two-year frosh record of 6-3-1.

Hermann succeeded Bob Bergdahl as the Brubabe boss in 1959 after serving as a part-time assistant frosh mentor in 1957 and '58. Prior to that he played with the Baltimore Colts for one season (1956).

Johnny starred on UCLA's 1953-54-55 championship teams, first as a wingback (right half) for two years and then as an end, the same position in which he won All-Los Angeles City honors at San Fernando (Calif.) High. He also starred in baseball and rugby. In fact, in both 1955 and '56 he was named to the All-California Intercollegiate Baseball Assn. second teams as an outfielder.

Hermann, 27, is still a bachelor.

Widest margin of victory for UCLA: 47 points (47-0 in 1957)

Widest margin of victory for the Air Force Academy: 13 points (20-7 in 1959)

One of the nation's most colorful football teams, the Falcons are supposed to be looking for manpower; but they were also "thin" when they went undefeated in 1958 and again in 1959, when they had a real eye-opening outfit.

With largely a letterman first string line, Coach Martin has the backfield nucleus that could make the Air Force Academy team a real, running Flexible-T (wing-T) club. Left Half Don Baucom, a two-year vet, is one of the most versatile backs in Falcon history, shown by his 415 playing minutes last season, his 4.1-yard ball-carrying average, 13 pass receptions and fine punting. He'll probably team with Half Terry Isaacson, an ex-quarterback with a lot of two-way ability. Letterman Nick Arshinkoff, a 198-pound fullback who ran wild at the end of the 1960 season, and either Junior Jerome Thies or Soph Joe Rodwell will probably round out the backfield.

E. C. Newman, a 215-pound center who also alternated at tackle last fall, will be the Falcons' top All-America candidate. He's a great two-way performer. Other stars to watch include right End Dick Brown, who caught 16 passes during '60; junior left Tackle Bruce Kohl and left Guard Ken Needham, who was too good to share the center spot with Newman and was switched.

Keep an eye on the Falcons as one of the surprise teams in 1961.

When optimism rears its head at Michigan, beware! Blessed with return of his 1960 starting backfield, plus depth improvement in an all-letterman line during Spring Practice and addition of a great, new sophomore T-quarterback prospect, Coach Bump Elliott could come up with the Big Ten's top team this fall.

A top defensive team in their league last fall, the Wolverines have a fine field general in Wing-T Quarterback Dave Glinka, who completed 54 out of 124 passes for 755 yards and five touchdowns last fall and handed off to running mates Bennie McRae, lh; Dave Raimey, rh; and Ken Tureaud, fb, for a total of 877 yards between them.

But watch out for Soph Frosty Evashevski, the cool, strong-armed son of Iowa Athletic Director Forest Evashevski. The six-foot, 175-pound youngster completed 12 out of 25 passes for 195 yards in the Spring game and generally performed with outstanding competence.

Fronting for a backfield that possesses fine all-round abilities, will be a line weighing in at 217 pounds per man, topped by end and Captain George Mans, one of the Big Ten's leading wingmen during 1960, and 218-pound Tackle Jon Schopf, both All-America candidates for this fall.

Heftiest performers in the forward wall are Center Todd Grant and left Tackle John Houtman, both 6-4 and 230.

Rounding out a fine first string line will probably be left End Bill Freeman, left Guard Lee Hall and right Guard Joe O'Donnell.

With speed, size, strength and all-round ability, the Wolverines could be just as impressive this year as they were for UCLA's first visit to Ann Arbor, when the Bruins receipted for an efficient 42-13 thumping.

UCLA all-time record against Ohio State: This is first game.

Again favored in the nation's toughest football league, Coach Woody Hayes' Ohio State team will again employ (1) the nation's toughest "running" team, (2) the offensive-defensive platoon system and (3) the greatest fullback in America in 217-pound Bob Ferguson.

Ferguson, "the Wild Bull of the Campus", can "kill" you going "all the way" on a long touchdown jaunt or pound you to death up the middle. He ranked fourth in the nation last year, playing only nine games and going 853 yards in 160 carries for a great 5.33-yard average. He was one of the hardest worked backs in the country as he won unanimous All-America honors.

With 1960 defensive Star Bill Mrukowski moving up to the top T-quarterback slot, Hayes has the tough-running signal-caller he needs to go with Ferguson and the five-letterman crew he possesses at halfbacks.

But what makes the Buckeyes rugged every year is that big, strong, agile line that overpowers the opposition. This fall will be no exception as Hayes fields a front wall averaging 207, including Center Bill Armstrong, a real ace, weighing in at only 187.

At left end the Big Tenners have Charles Bryant, whom Hayes says has the best hands of any end in the country, running mate Bob Middleton and the two regular defensive wingmen, Tom Perdue and Sam Tidmore.

The Buckeye line from tackle to tackle will be a typical Ohio State corps, topped by left Guard Mike Ingram, a 219-pound junior who led the entire squad with 334 playing minutes last fall. Besides Armstrong at the pivot, other interior line starters probably will be left Tackle Bob Vogel, a 1960 regular, right Guard Gary Moeller and right Tackle Daryl Sanders.

It looks like another rugged race for the flag in the Big Ten; and you can always count on Woody Hayes' teams to be there or thereabouts by season's end.

UCLA all-time record against Vanderbilt: This is first game.

Vanderbilt plans a big resurgence into the national spotlight this fall with no less than 15 men who have started games at some time in the last two seasons.

To make the Art Guepe Variegated-T Formation go at its best, the Commodores have Hank Lesesne returning after completing 54 out of 130 passes for 620 yards and rushing 159 more for a fine 769-yard sophomore year total during 1960. Lesesne is also the top Vandy punter; remember the name!

And to keep opponents honest up the middle is "All" candidate Fullback Jim Johnson. Then there are no less than five returning halfback lettermen, including probable Starters Ed Creagh and Charley Funk.

Center Cody Binkley, a two-year starter, leads the line, which has first stringers returning everywhere except tackles. There are four lettermen at end: Bruce Hammer and George Smith, who opened in the final '1960 games against Tulane and Tennessee, plus Wade Butcher and Gary Hudson. Guards John Cropp, George McGugin, Bill Corbin and Mike Reese have been starting guards, and all return.

While Guepe's starting tackles have graduated, he has both heft and experience in lettermen Bill Thomas, 225; Scott Trundle, 234; Wayne Hall, 230; and Grady Wade, 222.

The second son of a prominent grid name the Bruins may face this fall is Art Guepe Jr., son of the Commodore head man.

This first meeting with the late Red Sanders' Alma Mater may be a real rouser to open the Bruins' six-game home schedule in the Coliseum.

Widest margin of victory for Pittsburgh: 21 points (27-6 in 1958)

This annual meeting between the Panthers and Bruins figures to be another real thriller in this growing "traditional".

Back again to give the Bruins fits are Bob Clemens and Fred Cox, two of the hardest running halfbacks in the country. In addition, other names the UCLA players and coaches well remember are Guards Larry Vignali and Regis Coustillac, Center Andy Kuzneski, Ends Steve Jastrzembski and Heywood Haser and Tackle Gary Kaltenbach.

Bucking up against the same type of big-league scheduling that faces UCLA, Coach John Michelosen must come up with this kind of fine, tough competitors in order to maintain Pitt's outstanding grid reputation.

Much of the Panthers' success will depend on Quarterback Jim Traficant, who will give his team much-improved passing and generally better all-round offense, and Sophomore Fullback Rick Leeson, who is said to be the best backfield prospect to enroll at Pittsburgh in the last decade. Leeson, voted the outstanding back in the All-American game at Hershey, Pa., last summer, has the speed and power to step right in for the graduated Jim Cunningham.

You can't improve much on Pitt's 1960 defensive record of holding 10 opponents to a total of 77 points; but all-round improvement on offense will still make the Easterners a big threat to any team in the country.

A big resurgence is expected this fall as Coach Jack Curtice has at his disposal a large collection of returning lettermen, plus one of the best sophomore groups in several seasons.

Hopeful of stopping the opposition more consistently, the Indians have good returning regulars in End Steve Pursell, who caught five passes for 83 yards last fall; Tackle Phil Toorvald, who goes at a king-sized 236 pounds; Guard Tom Walsh; and Center Chris Cottle, probably the best performer on the squad.

In addition, Halfback Hal Steuber is the top returning ground-gainer returning from the '60 squad, having gained 200 net yards in 43 ballcarrying attempts for a 4.65-yard average. Rod Sears, an experienced T-Quarterback who completed 13 out of 40 passes for 247 yards and one touchdown last fall, appears to have the inside track on the job as field general for Curtice's wide-open Stanford offense.

Any way you look at it, however, the Indians will be "up" for this traditional contest, in which the Bruins have emerged a winner only three out of the last six appearances on "The Farm".

In this closet of all UCLA football rivalries (15-15-1), the 1961 Bears and Bruins figure to stage another of their colorful and fiercely competitive grid contests.

Look for Cal's exciting and explosive Wing-T attack to develop even more this fall than last year when Coach Marv Levy took over.

It would be difficult to come up with a better backfield nucleus with which to start a season than Levy's All-Big Five Fullback George Pierovich and Quarterback Randy Gold. Both are great all-round performers and top West Coast candidates for All-America honors.

The 210-pound Pierovich won 1960 All-Big Five honors by grinding out 330 yards in 90 carries for a 3.7-yard average and showed his versatility by catching 12 passes for 90 yards more. Gold was the most effective regular passer in the West as he hit on 65 out of 117 for .556 per cent, 696 yards and two touchdowns.

Jerry Scattini and Jim Burress figure to be the starting halfbacks, but they'll get plenty of pressure from others. Burress will captain the 1961 Golden Bears.

Line bulwarks include steady Roger Stull at guard, rangy John Papini at right end, plus unhearalded but hustling John Erby, Lauren Bock, Don McAdam, Stan Parkinson, Manuel Penaflor, Mel Piestrup and John Bebelaar. A pair of 1959 vets, Andy Segale and big Dave Maggard, may also return to action.

Besides better defense and offense, the Bears naturally figure to present better continuity of play, and they'll come up with a new unbalanced line attack to unsettle the opposition.

Look for the Golden Bears to be the surprise team in the West this year.

Coach Abe Martin's TCU varsity, champions in 1955, 1958 and co-champions in '59, could make a big noise in the 1961 Southwest Conference.

Blessed with the biggest quarterback in football, Sonny Gibbs at 6-7 and 230 pounds, the Horned Frogs operate out of the "Kaleidoscopic T-Formation", featuring slots, flankers and man-in-motion. Gibbs, a top candidate for All-America honors in his junior season, heads into TCU's toughest schedule off a record of 706 yards total offense last year, 473 on 47 out of 111 passes and the other 233 on 75 ball-carrying attempts.

To match king-sized Gibbs, the Horned Frogs are going for All-America tackle honors for the third year in a row with 230-pound Bobby Plummer as the '61 follow-up to two-time A-A Don Floyd.

Other starters from last year include left Guard Dick Holden; right Guard Ray Pinion, a 225-pounder; and right End Buddy Iles, who caught 24 passes for 237 yards to rank second in the SWC in 1960.

Two of the top newcomers from the freshman squad include Fullback Tommy Crutcher, 210 and the best back in Spring Practice, and 6-6, 250-pound Center Ken Hensen.

In the Horned Frogs, UCLA faces the biggest team on its schedule, weighing in at 219 pounds per man in the line and 205 in the backfield.

This may be the top intersectional game in the West in 1961 as two of the hottest offenses each tangle with two of the biggest and toughest lines.

Coach Jim Owens probably feels like "this is where I came in" as he faces a rebuilding job similar to the one four years ago when he took over at Washington.

Four seniors are among the returnees: Guard Tim Bullard, 210; right End John Meyers, 6-6 and 240; right Guard Skaggs, 215; and Quarterback Kermit Jorgensen, 195. Only Skaggs was a starter last fall although Meyers was until sidelined by injury.

The Huskies are well-stocked in the line, however, with the likes of Skaggs and Meyers, plus Tackle Ray Mansfield, 220; Guard Duane Locknane, 190; Guard Dave Phillips, 190; End Andy Alkire, 210; and Center Norm Dicks, 200.

Three backfield lettermen return: Halfback Charlie Mitchell, the hottest returning back in the West, Halfback Bob Monroe and Jorgensen. Mitchell, who topped the Huskies with 467 yards in 74 ball-carrying attempts last fall, is the fastest back ever to wear a Husky uniform for Owens. He could be the most exciting back on the Coast this year and certainly is a top All-America candidate.

Jorgensen, who completed eight out of 12 passes for 98 yards and ran for another 126 yards last fall, is reminiscent of the style of Bob Schloredt, the departed All-American. While not a deadly passer, he keeps the enemy loose with his ability to run the option to near-perfection. He engineered the come-from-behind drive that beat Washington State, 8-7, in the 1960 finale.

Don't think the Huskies are going to get fat and happy after two straight Rose Bowl wins. They'll be as tough as ever by the time they meet the Bruins in this next-to-last game of the season—and the Rose Bowl could be hanging on this one again.

With an injury-riddled up-and-down year behind him in his first season, Coach John McKay expects his Trojans to bounce a little truer this fall; and certainly many of the experts will be picking SC to win the Big Five Championship.

Big Bill Nelsen is expected to improve greatly on his sophomore season when he took over in mid-season to post a 29-for-72 passing record for 446 yards and rushed to another 186 yards on the ground. Also taking over in mid-season was Fullback Hal Tobin, who finished as SC's top rusher with 318 yards in 61 carries for a fine 5.2 average.

Against the Bruins last fall Nelsen ran and passed for a total of 145 yards and one 21-yard touchdown pass while Tobin scored the other Trojan TD on a two-yard dive in addition to racking up 55 yards. rushing. They'll be equally tough this season.

Top SC linemen appear to be from tackle to tackle: Tackles Frank Buncom, 218; and Mike Bundra, 230; Guards Chuck Anderson, 210; and Britt Williams, 212; plus Dave Morgan, 205-pound center. Letterman Dave Washington, who made second team All-Big Five, is the top returning end.

McKay still has "fly-boys" who can take off with the ball like scared rabbits—like Halfbacks Al Shields, Lynn Gaskill and Jim Maples.

Anyway you look at it, however, the Trojan-Bruin football clash is in a class by itself every year. The "Bell Game" is the greatest traditional in the country.

THUMBNAIL SKETCHES OF BRUIN PLAYERS

LEFT END (ALSO LEFT END ON DEFENSE)

ERIC CARLYLE (RICK) FRIES—Sophomore; 1959 freshman numeral winner as starting end. Didn't play last year. He's potentially a real good receiver with exceptional speed. However, he must improve his blocking and defensive ability. Lettered two years in football at Manual Arts Hi in Los Angeles. Won 1959 All-Southern League honors under Coach Jim Blewett. Also served as student body president and football captain. His uncle is Cameron Mitchell, the actor. Philosophy major.

MILLAN EARLE (MEL) PROFIT—Sophomore; 1959 freshman numeral winner as a starting end; 1959-60 freshman numeral winner as starting center in frosh basketball. He didn't play football last year because of a knee condition. However, he played basketball for part of season. Returned to football this spring and again indicated he could develop into one of the best. Figures to be oustanding pass receiver. Has perfect physique for an end, standing 6-4½ and weighing in at 205. A potentially great end! He flashed his ability in the Brubabes' 1959 finale against USC's Trobabes when he scored 22 points—12 by catching two TD passes, 6 by kicking two field goals (24 and 31 yards) and 4 by conversions—to pace a 35-12 victory. Was a four-sport letterman at Camden Hi in San Jose, Calif., lettering four years each in football and basketball and two years in track and baseball. Won all sorts of honors in both football and basketball, including All-City, All-League and All-Northern California. Was named on the 1959 All-American prep basketball first team. Was a starting end for the North team in the 1959 North-South Shrine prep classic in Los Angeles Coliseum. Served as football and basketball captain during senior year. His grid coach was Junior Morgan. Physical Education major.

DONALD WILKS (DON) VENA—Senior; two-year letterman, played 225 minutes last year and 140 minutes in 1959; 1958 freshman numeral winner as starting end. After playing behind the great Marv Luster for two years, he figures to come into his own as a starting end this season. He was the Bruins' No. 3 pass receiver last year with 9 catches, including two for touchdowns, one against Utah and one against Duke. Although not fast, he has good hands and runs clever patterns. A smart player, he has good knowledge of his position. Showed improvement defensively last spring. Looks ready for a banner senior year and may put in a strong bid for "All" honors. Lettered in baseball three years and in both football and basketball two years at Cantwell Hi in Montebello, Calif. Won All-Catholic League honors at end under Coach Greg Kabat. Business Management major. Kappa Sigma fraternity.

LEFT TACKLE (RIGHT TACKLE ON DEFENSE)

FOSTER MAX ANDERSEN—Senior; two-year letterman, played 216 minutes and started 1 game last year and 144 minutes in 1959; 1958 freshman numeral winner as starting center. Figures to be in a three-way battle with fellow lettermen Steve Bauwens and Tony Fiorentino and is improving offensively. Missed spring practice because of injuries but is expected to be ready for senior year. A dedicated player, he's an especially hard worker. He started one game last year and two in 1959. Intercepted 1 pass for no yardage return last year. Lettered in football two years and basketball one year at Mark Keppel Hi in Alhambra, Calif. Was football captain and an all-league performer as well as All-CIF second team selection under Coach Ed Austin. Political Science major. Delta Sigma Phi fraternity.

STEVE LOUIS BAUWENS—Senior; two-year letterman, played 249½ minutes last year and 231 minutes in 1959, the most of any sophomore; non-playing "Redshirter" in 1958. Started 9 of 10 games last year, the most of any Bruin, and 6 of 10 as a soph in 1959. This hard-nosed and talented lineman won 1960 AP All-Coast first team honors. Also was picked on last year's AAWU second team (picked by the coaches) and gained AP and Williamson Rating System All-America honorable mention. Although he figures to be pushed by Andersen and Fiorentino, Steve rates the starting edge because of his experience and a great spring practice in which he showed marked all-around improvement, especially his quickness. He and younger brother Joe give the Bruins probably the finest brother tackle combination in the country this season. Steve lettered one year in football under Coach Gene McCarter at Alleman Hi in Rock Island, Illinois, winning All-State honors in 1955. Business Administration major. Sigma Pi fraternity.

DONALD KENDALL (DON) BROOKS, JR.—Junior; one-year non-letterman, played 11 minutes last year; non-playing "Redshirter" in 1959; 1958 freshman numeral winner at tackle. A very adequate offensive tackle, he must improve defensively. Lettered four years each in football and track at Sanger (Calif.) Hi. Won 1957 All-Central California grid honors at tackle under Coach Ray Newman. Was track captain and Boys' Federation president. Business Administration major. Delta Sigma Phi fraternity.

THOMAS FREDERICK (TOM) CALVERLEY — Sophomore; non-playing "Redshirter" last year; 1959 freshman numeral winner at tackle. Combines good size (6-3, 220) and intelligence, but must get stronger and improve quickness. Lettered in football and baseball at Covina (Calif.) Hi. Won All-League honors at tackle in 1958 under Coach Gerald McClellan. Was football co-captain. Business Administration major.

ANTHONY FRANK (TONY) FIORENTINO—Junior; one-year letterman, played 93½ minutes last year; non-playing "Redshirter" in 1959. Was making big strides in spring practice until an injury sidelined him. Moved from guard to tackle at start of last season and has benefiited from year of experience at new position. Has a fine attitude and appears ready to challenge seniors Bauwens and Andersen for top spot. Has an edge in overall speed and quickness. Has tremendous natural ability and is a Bruin to watch. He's the younger brother of Frank Fiorentino, former All-Coast guard at USC where he starred in 1956-57-58. Lettered one year in both football and track at Fresno (Calif.) City College where he won All-League and "most valuable player" honors. Lettered four years in football and two years in track at San Joaquin Hi in Fresno. Won All-City and All-League grid honors under Coach Morrie Pratt. Physical education major.

NELSON CARL RISING—Sophomore; non-playing "Redshirter" last year; 1959 frosh numeral winner as a starting tackle. Here is a hard worker with a fine attitude who figures to improve. However, he must become stronger, quicker and more aggressive. Lettered in football at Glendale (Calif.) Hi under Coach Roy Vujovich, former UCLA end. Won All-CIF third team honors and was voted "Lineman-of-the-Year" in the Foothill League. Served as football co-captain and student body president. Business Administration major. Beta Theta Pi fraternity.

LEFT GUARD (ALSO LEFT GUARD ON DEFENSE)

RICHARD (DICK) ALLEN—Junior; one-year letterman, played 78 1/3 minutes last year. Considering he played last year without benefit of spring practice, he made steady progress as a reserve guard. Had a good spring practice and is now rated the quickest of all Bruin guards. A real hustler with a good attitude and love of the game, he needs only more game experience to be a standout performer. Was a star 1959 lineman at Valley College in Van Nuys, Calif., winning All-Metropolitan Conference honors and All-America JC honorable mention. Lettered two years in football at North Hollywood (Calif.) Hi under Coach Johnny Sanders, winning All-Valley League honors. Business major. Phi Kappa Psi fraternity.

KENT FRANCISCO—Sophomore. Missed entire 1960 freshman football season when he was sidelined during

THUMBNAIL SKETCHES

the opening week of practice by an injury. Although the loss of a season hurt this big (6-2, 225) lineman, he showed big improvement in the last week of spring practice. He has a big assignment this year, as he must master a new position. Strong and quick, he has fine potential. Was an All-Northern California prep star at San Rafael (Calif.) Hi, where he lettered three years in football and track and two years in basketball. Was 1959 grid captain under Coach Dick Read and played in the 1960 Shrine prep All-Star football game. Physical education major. Delta Sigma Phi fraternity.

FRANK JOHN MACARI—Senior; two-year letterman, played 278½ minutes last year, most of any guard, and 98 minutes in 1959; 1958 freshman numeral winner as starting guard and elected honorary Brubabe co-captain with Marshall Shirk. A greatly improved guard, he should be a very adequate starter. Continues to get bigger and stronger and has great desire. Lettered in football and track at North Hollywood (Calif.) Hi. Won All-City first team, All-Valley League and All-America honorable mention in prep football under Coach Johnny Sanders. Was football captain and also served as student body president. Physical Education major. Phi Kappa Psi fraternity.

MICHAEL RAY (MIKE) MAHONEY—Sophomore; one-year "Redshirt" squadman who didn't see any action last year; 1959 freshman numeral winner at center. Missed spring practice because of injuries. A very dedicated player, but lacks experience. Is aggressive and has excellent speed. Was a football and track letterman at Verdugo Hills (Calif.) Hi, twice winning All-Northern League honors at football under Coach Harry Hough. Was 1959 football captain and also served as student body president. Business major. Phi Gamma Delta fraternity.

CENTER (LEFT LINEBACKER ON DEFENSE)

RONALD E. (RON) HULL—Senior; two-year letterman, played 296 minutes, the most of any returning letterman, and started 4 games last year and 117 minutes in 1959. Here is a center and linebacker of All-America potential. Actually saw more action last year than Harry Baldwin, the Bruins' 1960 captain and center who won All-Coast honors both last year and 1959. Hull figures to take his place among the all-time great UCLA centers, including the likes of Donn Moomaw, Jim Matheny, Steve Palmer, Don Paul, Johnny Ryland, Homer Oliver, Dan Peterson, Baldwin, to name a few. He's not only the most experienced Bruin lineman but he's also a team leader with excellent football savvy. Plus, he's tough, aggressive and an outstanding linebacker. He loves this game of football—and his spirited style of play proves it. Intercepted 1 pass for 14 yards last year. Lettered one year in both football and track

at Citrus Junior College in Azusa, Calif., before transferring to UCLA. Lettered in football at Wilson Hi in Los Angeles. Won All-City second team honors under Coach Vic Cuccia. Physical Education major. He's married to the former Sybil Ruff.

NORMAN LEE (NORM) SMOTONY—Sophomore; 1960 freshman numeral winner as the starting center. Missed spring practice because of illness. He's quick and figures to improve. Lettered in football three years and track two years at El Segundo (Calif.) Hi. Won All-Pioneer League first team honors in 1959 under Coach Clyde Dougherty. Major undecided in College of Letters & Science. Sigma Pi fraternity.

STEVEN GEORGE (STEVE) TRUESDELL—Sophomore; non-playing "Redshirter" last year. Excells on offense but is improving defensively. Appears to need only experience. Intelligent and quick, he should get bigger and tougher. Transferred to UCLA in September, 1960 from Santa Monica CC where he lettered one year in football. Lettered in football and track two years at Santa Monica (Calif.) Hi. Won All-League grid honors in 1958 under Coach Leon McLaughlin, former UCLA center and 1949 captain. Was 1958 football captain and also served as Boys' League president. Played on South team in 1959 Shrine All-Star prep game. Physical Education major.

ANDREW VSEVOLOD (ANDY) VON SONN—Junior; one-year letterman, played 62½ minutes last year; non-playing "Redshirter" in 1959; 1958 freshman numeral winner as starting tackle. A greatly improved performer with fine potential, he should come into own as a top football player. Rangy and quick with good overall speed, he should prove to be good linebacker. May be used in the game at the same time as Hull, as linebacker. Lettered one year each in football and track at Reseda (Calif.) Hi under Coach Jim Tippet. Business Education major. Phi Gamma Delta fraternity.

JOHN C. WALKER—Sophomore. Indicated in spring practice that he's the team's best sophomore line prospect and may push veterans Hull and Von Sonn. He's quick, strong and has fine attitude. A former tackle, he's learning a new position. May be used as a defensive specialist as linebacker; in fact, he may be moved to blocking back to take advantage of his fine linebacking ability. Lettered one year in football at Pierce Junior College in Woodland Hills, Calif. Won 1960 All-Western Conference second team honors at tackle. Lettered in football three years and track one year at Reseda (Calif.) Hi. Won 1959 All-City first team honors and All-America prep honorable mention under Coach Roy Jae. Was 1959 football captain. Health Education major. Delta Tau Delta fraternity.

RIGHT GUARD (RIGHT GUARD ON DEFENSE)

BERNARD WALTER (WALT) DATHE — Sophomore; 1960 freshman numeral winner as a starting guard. May be used as a "swing" guard this season, that is play both left and right guard. Not a big man, he makes up for lack of size with tremendous desire and attitude. Is quick and strong. Needs varsity experience and showed he'll get that off good spring practice. Lettered in wrestling four years and football three years at Pleasant Hills (Calif.) Hi. Won All-League grid honors under Coach Hal Briggs. Was 1959 football captain. Business Administration major.

MITCHELL ALLEN (MITCH) JOHNSON — Sophomore; 1960 freshman numeral winner as a starting tackle. A top prospect, with good size, speed and strength. However, he's learning a new position, having been moved last spring from tackle to guard. Lettered in both football and tennis three years at Centennial Hi in Compton, Calif. Was tennis captain two years. His grid coach was Aaron Wade. Major undecided in College of Letters & Science.

THOMAS GEORGE (TOM) PATON — Senior; two-year letterman, played 169 minutes last year and started 1 game and 137 minutes in 1959; non-playing "Redshirter" in 1958; 1957 freshman numeral winner as a starting guard. Won 1960 AP All-Coast honorable mention. Had a tremendous spring practice and showed overall improvement. Looks like starting offensive guard at this spot. Has speed and aggressiveness and is getting bigger and tougher. Looks ready for banner senior campaign. Lettered in football, basketball and track at Glendale (Calif.) Hi. Was football captain and won All-League second team honors at fullback under Coach Roy Vujovich, former UCLA end. Physical Education major. Delta Sigma Phi fraternity.

HERBERT KEITH (HERB) QUINCY — Sophomore; non-playing "Redshirter" last year. May play either guard, tackle or defensive specialist. Possibly the strongest man on the squad, a knee injury in spring practice handicapped his development but he has a good future. Lettered one year at Pierce Junior College in Woodland Hills, Calif., before transferring to UCLA last September. Lettered in football and track at Birmingham Hi in Van Nuys, Calif. His grid coach was Jack Goff. Philosophy major.

DAVID KENNETH (DAVE) STOUT — Junior; one-year letterman, played 186⅔ minutes, the second most of any sophomore and started 4 games. Rates with Joe Bauwens as the Bruins' two top junior linemen. The best defensive guard, he figures to have a touch-and-go battle with Paton for starting honors. Has improved greatly on offense. Quick and strong,

THUMBNAIL SKETCHES

he's built close to the ground, has great ability plus a fine attitude. Lettered in football one year at Santa Monica (Calif.) City College before transferring to UCLA last September. At SMCC, he won 1959 All-Metropolitan Conference first team and All-America JC second team honors. Lettered in football and wrestling at Mira Costa Hi in Manhattan Beach, Calif. Won All-CIF second team honors and also All-CIF honors in wrestling. His grid coach was Don Cogswell, former UCLA end. Physical Education major.

RIGHT TACKLE (LEFT TACKLE ON DEFENSE)

JOSEPH A. (JOE) BAUWENS — Junior; one-year letterman, played 106½ minutes last year and started 1 game; 1959 freshman numeral winner as a starting guard. Rated the Bruins' best junior lineman both offensively and defensively. Has good size, strength and quickness — plus, he's smart and has excellent attitude. He's the younger brother of Steve Bauwens, the Bruins' senior left tackle. Could press Marshall Shirk for starting honors. Lettered in football three years and wrestling two years at Alleman Hi in Rock Island, Illinois. Won All-State and All-America grid honors under Coach Gene McCarter. Mathematics major. Beta Theta Pi fraternity.

PHILLIP GENE (PHIL) ORAM — Junior; one-year letterman, played 122½ minutes last year and started 2 games; non-playing "Redshirter" in 1959. Was greatly improved in spring practice. Bigger and stronger than last year, he figures to be much tougher. An intelligent player, he will probably play both tackle spots. Lettered one year in both football and track at Cerritos (Calif.) JC before transferring to UCLA. Won All-Western States Conference honors in 1958. Lettered in football, basketball and baseball at Bellflower (Calif.) Hi. Won All-League grid honors under Coach Charles Hall. Physical Education. He's wed to the former Gayle Carter and they have a daughter, Kathy Ann, 1½.

Lettered in football, track and wrestling two years each at Bullard Hi in Fresno, Calif. Won All-City grid honors under Coach Robin Rush. Served as Senior Class vice-president. Business Administration major. Phi Kappa Sigma fraternity.

DEAN ANDREW ROGERS — Sophomore; non-playing "Redshirter" last year. Although he showed improvement last spring and has good speed, he has his

Won 1960 All-AAWU first team honors and AP All-Coast and Williamson Rating System All-America honorable mention. Rated an All-America candidate for 1961. Big, strong and aggressive, he loves the game of football. Has everything to take his place among the Bruins' all-time great tackles. Slowed down last spring with a foot injury. Must play up to his capabilities to stay ahead of Joe Bauwens at this spot. Lettered three years in football under Coach Clare Van Hoorbeke at Anaheim (Calif.) Hi. Business Administration major. Phi Gamma Delta fraternity.

NORMAN DAVID (DAVE) DUNCAN, JR.—Junior; one-year non-letterman, played 11 minutes. Was the team's leading PAT kicker last year, making good on 7 of 9 attempts. He's returned to end after being a blocking back last year. Although not big (6-1, 183), he's a good defensive performer. He's determined and quick. Although he attended two junior colleges (Santa Monica, Calif., and Los Angeles Valley), he didn't compete in athletics at either school before transferring to UCLA. Lettered three years each in football and baseball at Van Nuys (Calif.) Hi. Won All-City third team grid honors as an end under Coach Winston Tucker in 1957, his senior year. Business major. He's the son of Norm Duncan, former great UCLA fullback in 1929-30-31 and a member of the UCLA Physical

Education department staff since 1937. His uncle, Dr. John Duncan, also played football (guard) at UCLA the same time as his father. Dave is married to the former Sarra Jane Hillyer and they have a son, Scotty, 2½.

THOMAS (TOM) GUTMAN — Junior; one-year letterman, played 189 minutes, the most of any sophomore, and started 1 game last season; non-playing "Redshirter" in 1959. Took over at this spot when senior Earl Smith was injured last season. Voted the Bruin Bench "Rookie-of-the-Year" award last year. Though he missed much spring practice because of a knee injury, he's the logical choice for starting honors here. He's big, rugged, aggressive and has good speed. This will be only his fourth year of football. He didn't play in high school and then played one year at Santa Monica (Calif.) City College where he was a tackle on SMCC's 1958 championship team. Lettered three years in basketball and track at Santa Monica Hi. Physical Education major.

Lettered three years each in football and basketball at Melrose Hi in Memphis, Tenn., the same high school which produced Esker Harris, former UCLA guard great. Hicks won All-State honors in football for three years under Coach Joe Westbrook. Also served as football captain and student body president. Mathematics major.

Lettered in football three years and in both basketball and baseball two years at South Hi in Cleveland, Ohio, before serving in the Air Force. Served as both football and baseball captain. QUARTERBACK OR BLOCKING BACK (RIGHT LINEBACKER ON DEFENSE)

JAMES R. (BERGIE) BERGMAN — Junior; one-year letterman, played 71 minutes last year; 1959 freshman numeral winner as starting blocking back. Hampered by injuries last year and last spring, he lacks experience but could be a strong contender for the starting spot. Also was student body president. Won All-Marine League guard honors under Coach Paul Huebner and Gene Volnogle. Engineering Major. Beta Theta Pi fraternity.

Returned one kickoff for 14 yards and intercepted 1 pass for 4 yard return last year. Hampered by injuries throughout his career, he has the size and the desire but must shake his injury jinx. Moved to blocking back last year after playing tackle for three years. Lettered in football and track at Los Angeles Hi. Served as football captain and won All-Southern League honors under Coach Harry Edelson. Business major. Delta Sigma Phi fraternity.

JOHN STYRON LO CURTO — Sophomore; 1960 freshman numeral winner as "ironman" starting blocking back. Winner of Charles Pike Memorial Award as freshman team captain. Won the 1960 Westwood Village Junior Chamber of Commerce trophy as the "Outstanding Bruin Player in the UCLA-USC game." A tough competitor, he's the kind of football player that gets better on Saturday afternoon, but will have to hustle to be the starter. Makes up for his lack of size with experience and desire. Quick and aggressive, but lacks heft. Lettered one year in football and track at Santa Monica (Calif.) City College before transferring to UCLA. Lettered three years in football, two in track and one in gymnastics at Venice (Calif.) Hi. Won All-City and All-Western League first team honors in 1956 under Coach Grayson Turney. English major. LEFT HALFBACK OR TAILBACK (SAFETY ON DEFENSE)

MICHAEL ARTHUR (MIKE) HAFFNER — Sophomore; 1960 freshman numeral winner as starting tailback. Impressed as the hard-working frosh tailback last year when he led the undermanned Brubabes to a 2-2-1 record. Paced the rushers with 392 net yards in 113 carries for a 3.47 average and 5 TD's. Also tops in passing with 27 completions of 63 throws for 454 yards and a fine .428 percentage and 3 TD's. Rated a future tailback star. Combines fine speed with running ability. However, must develop as a passer and punter to become a solid triple threater. Was a four-sport letterman at Baldwin Park (Calif.) Hi in football, basketball, track and baseball and won All-League honors in each of the four sports. Also won All-San Gabriel Valley honors in football and basketball. Was football and basketball captain. His grid coach was Bobby Musick. Pre-Medical and History major. Phi Kappa Psi fraternity.

KEITH HARLYN JENSEN — Senior; one-year nonletterman; played 14 minutes last year; non-playing "Redshirter" in 1959. A fine passer, he has shown some promise, but lacks startling running ability. Is the outstanding punter on the 1961 Bruin team; needs game experience. Will be playing his second year on the varsity, having participated two years at Oceanside-Carlsbad Junior College before transferring to UCLA. Won All-American JC honorable mention and All-South Conference JC honors in '58. Named All-League at Oceanside (Calif.) Hi in 1956 where he got grid training under Coach Jim Simcox. WILLIE EZELL (EZELL) SINGLETON — Junior; one-year letterman, played 50½ minutes at tailback last fall in "spot" situations mainly and showed fine flashes. Scored the winning touchdown against Pittsburgh on a 4-yard squirming run and wound up the game's top ground-gainer with 45 net yards on eight carries for a 5.62 average. Has shown much promise as a passer and runner and needs only game experience to establish himself as a UCLA tailback. Did excellent job last year as spot offense performer and also defensive safety. Excused from spring practice to star for Coach Art Reichle's Bruin baseball team as third baseman and pitcher. A good power hitter, Ezell batted .227 for the season, had 19 RBI's. He lost a 3-0, four-hit game to SC's NCAA baseball champions in his first starting role on the mound and finished the season with 26 strikeouts in the 16⅔ innings he worked. Lettered in both football and baseball at Citrus (Calif.) Junior College, winning All-Eastern Conference honors in both sports. Won eight letters in football, baseball and basketball at San Diego Hi, his football coming under the guidance of Coach Duane Maley. In his senior year when he won All-CIF honors in both baseball and football, Singleton completed 107 out of 182 passes for 1715 yards and 28 touchdowns. Physical Education major.

BOBBY LEE (BOBBY) SMITH — Senior; two-year letterman; played 280 minutes as tailback behind Bill Kilmer last year and as defensive safetyman, where he was outstanding. Started 4 games last season. Has inside track for all-important tailback position based on his outstanding running ability shown the last two seasons. His best offensive games last fall after overcoming a pre-season knee injury were against North Carolina State, California and in the nationally-televised clash with Duke's Cotton Bowl team, in which Bobby galloped through, over and around the Blue Devils for 121 yards in 19 carries for a fine 6.38 average. Although has not been used extensively as passer, his performance in this department in spring practice showed promise. A real come-through performance by Bobby is very important to success of the 1961 UCLA football team. Participating on Coach Ducky Drake's track team in early-season meets. Smith had a fine 24 ft., ¾-inch broad jump and 23.8 flight of low hurdles to his credit, giving indications of his excellent football speed. Lettered one year in football and track at Compton (Calif.) College. Won 1957 All-Western State Conference JC first team and All-America JC honorable mention honors. Lettered three years

ROBERT A. (ROB) SMITH — Junior; one-year nonletterman; played 18½ minutes at tailback last year; freshman numeral winner in '59 as starting tailback. Although he saw little action as a sophomore, he was used as a spot player and showed good promise in spring practice. He is probably the most rugged and "hard-nosed" of all the UCLA tailbacks. Though not possessed of great speed, he is equally adept at running, passing and kicking and needs only game experience to prove his ability in these departments. He's slated for considerable use this fall. Won the 1959 Charles Pike Memorial Award which goes annually to the frosh captain. Lettered in both football and baseball (second base) and won Student-Athlete Award at Loyola Hi, Los Angeles. Won All-Catholic League and third team All-CIF honors under Coach Lew Stueck. RIGHT HALFBACK OR WINGBACK

KERMIT JOSEPH ALEXANDER — Junior; one-year letterman, played 75½ minutes last year. Played mostly at fullback last year but did see limited action at wingback. Definitely moved to wingback last spring and indicated he's ready to fill big gap left by graduation of Jim Johnson and Gene Gaines, stellar 1-2 punch, with an outstanding spring practice, highlighted by an 87-yard punt return for a touchdown in the final spring game to win the game for his team. Demonstrated fine promise as a ball carrier, pass receiver, blocker, punt returner and defensive halfback. Quick

THOMAS JERMAN (TOM) BENNETT — Junior. Entered UCLA last February after lettering two years in football at Long Beach (Calif.) City College and was a member of LBCC's 1960 Junior Rose Bowl championship team. Showed promise as a punter last spring but needs experience at this position. Lettered in track three years and football two years at East Hi in Sioux City, Iowa. Played on City championship teams in 1956 and '57 under Coach Eugene Farrell. Engineering major.

CARMEN ANTHONY DI POALO — Junior; one-year non-letterman, played 16½ minutes last year; non-playing "Redshirter" in 1959. With Rosenkrans not participating in spring practice, he played second string behind Alexander all spring and could be a sleeper. Has shown ability as a runner, blocker and pass receiver. Lettered only in baseball at Citrus (Calif.) JC before transferring to UCLA. Lettered in football and baseball at Monrova (Calif.) Hi. His grid coach was Dink Walker. Physical Education major.

JOE PAUL ROSENKRANS — Senior; two-year letterman, played 227 minutes and started 2 games last year and played 108 minutes in 1959. Though he has seen very little action offensively, he has been an outstanding defensive halfback specialist for the past two years. Last year he played almost every defensive minute. Was excused from spring practice to play baseball (outfield) for Art Reichle's Bruins. If he can combine his proven rugged defensive halfback play with a come-through offensive performance, he could see considerable action this fall. Needs offensive game experience. Lettered one year in both football and baseball at Santa Monica (Calif.) City College. Lettered four years each in football and baseball, three years in basketball at Beverly Hills (Calif.) Hi. Won All-League grid honors under Coach Joe Sabol, former UCLA wingback. Business major. He's married to the former Julie Batty.

A rugged ball carrier and blocker, he gave indication during spring practice that he will be in the thick of the fight for the starting fullback berth. Winner of the first Red Sanders Memorial Scholarship, he was dubbed "The Horse" for his reckless play at tailback and fullback at Wilson Hi in Los Angeles where he earned 1958 All-City first team honors under Coach Vic Cuccia. Played a lot of fullback last year behind senior Skip Smith. Off spring practice he will probably get the starting nod, but figures to be in a three-way fight all season for the top spot with Dimkich and Zeno. He's a rugged and speedy runner —and an improved blocker. Tied the UCLA one-game scoring record by scoring 3 TD's against Stanford last year. Lettered in football, track and baseball at Roosevelt High in Los Angeles. Was football captain and won All-Eastern League honors at fullback under Coach Jim McLean in 1956. Physical Education major. HISTORY OF UCLA

UCLA was founded at just the right place at just the right time—Los Angeles in 1919, at the beginning of an era of explosive growth.

Business, industry and government had begun to feel the need for men and women with high-quality university educations, and the University of California, Southern Branch (as UCLA was then called) took up the challenge.

So vigorously did it take up the challenge that less than five years after its founding, the new school began to feel cramped in its tiny Vermont Avenue campus.

A new campus was chosen amongst the lonely bean fields and live oaks in Westwood, on the foothills of the Santa Monica Mountains within sight of the Pacific Ocean, and by 1927 mule teams and tractors were busy leveling the ground. Today UCLA's beautifully landscaped 411-acre campus is a busy center of the arts, study, research and extracurricular student activities. It is also a beehive of construction.

Despite high entrance requirements (which only about 15 per cent of high school graduates can meet), its enrollment has mushroomed to 18,770 students — making it one of the top 10 in the nation in size of enrollment.

UCLA is the second largest campus in point of enrollment among the seven campuses of the state university, which is headed by President Clark Kerr.

Dr. Franklin David Murphy, 45, is Chancellor at UCLA. He heads a teaching and research staff of 3,990 and a full-time non-teaching staff of 4,300.

There are now 69 instructional departments, 13 schools and colleges, the Graduate Division, and several other divisions of instruction and research.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $120,000,000 building program has been underway, the largest in the nation. The number of buildings has more than doubled since the end of the war and a campus to accomodate 27,500 students by 1967 is being planned.

The library at UCLA, with its 17 branches contains 1,500,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in the quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its post-war buildings are constructed of the same material and share the same architectural feelings as the older buildings.

While Physical expansion is the most astonishing single facet about the Los Angeles campus, it has grown rapidly and vigorously in instruction and research—helping the state-wide University of California to maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia and Chicago.

DR. FRANKLIN D. MURPHY
UCLA Chancellor

Entering his second year as UCLA's chancellor, Dr. Franklin David Murphy has amazed Los Angeles with his Renaissance Man qualities and vitality. His interest and knowledge span the spectrum of human endeavor, from the plays of Sean O'Casey, which he collects (he also corresponds with the author) to the teaching of foreign languages (he refers to America as "a linguistically underdeveloped nation").

The Chancellor is 45 years old, but has been seasoned by more than 12 years of high-level university administrative work, three of these as Dean of Kansas University's School of Medicine, and eight as KU's Chancellor.

Important elements in Chancellor Murphy's background are these:

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania. During World War II he served in the U.S. Army Medical Corps doing research work on malaria.

2. He has a broad international background. This includes the chairmanship of the United States Advisory Commission on Educational Exchange of the Department of State, the Ford Foundation Committee on University and World Affairs, and the chairmanship of the Executive Committee of the Council on Higher Education in the American Republics.

3. He has been sympathetic toward enlightened business and industry, having served on the Board of Trustees of such enterprises as Hallmark Cards, Inc., the First National Bank of Kansas City, and the Security Benefit Life Insurance Company.

4. He has been a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancement of Teaching, the National Council of the Boy Scouts of America, the State Commission for the Eisenhower Library, and the Menninger Foundation.

And, as KU's Public Relations Officer said when Murphy's appointment to UCLA was announced, "You are not only getting our Chancellor, but our No. 1 sports fan!"

Chancellor Murphy is married to the former Judith Joyce Harris, of Kansas City and graduate of Vassar; and they have four children, Judith Joyce, 18; Martha Alice, 17; Carolyn Louise, 12; and Franklin Lee, 10.

DR. THOMAS L. JACOBS
Faculty Athletic Representative

Dr. Thomas L. Jacobs is new to the post of faculty athletic representative for UCLA. His appointment was announced in January of this year by Chancellor Franklin D. Murphy.

Dr. Jacobs succeeds Professor Bradford A. Booth of the English Department, who had held the post for more than two years. As he announced the change, Chancellor Murphy said, "Dr. Booth has done an out-

standing job, and I am certain that Dr. Jacobs will maintain the same high level of service."

Professor Jacobs is a long-time spectator at UCLA football games, attending every season for the past twenty years, and he is also often in evidence at UCLA track meets and basketball games. He has an additional interest in basketball at Chadwick, where his son Richard is on the team.

The professor's own athletic career (Forest City High School, Iowa—football) remained on a modest scale, since he never tipped above 135 pounds. However, he is an active golfer and enjoys camping, hiking, and angling.

Dr. Jacobs is an organic chemist who has done notable fundamental research on polymers and on creating chemical compounds modeled after naturally-occurring hormones and antibiotics. During World War II he was director of an anti-malarial program for the Office of Scientific Research and Development.

He took his Bachelor's degree at Cornell College, Iowa, (1930) and his Ph.D., in chemistry at Cornell University, N.Y., in 1935. After teaching four years at Harvard, he joined the UCLA faculty in 1939.

WILBUR C. JOHNS (UCLA '25)
Director of Intercollegiate Athletics

Wilbur Johns is now in his 15th year as UCLA's athletic director. The Bruins' athletic program has grown and prospered under his leadership. He has been active in NCAA affairs and has served the national collegiate body in many important capacities, including current membership on the NCAA Executive Committee.

Wilbur was duly recognized for his service to his Alma Mater by receiving the coveted UCLA "Alumnus-of-the-Year" award in 1955.

He was head Bruin basketball coach for nine seasons (1940-48), with his teams winning the 1945 and 1947 Pacific Coast Conference Southern Division titles. He previously served at UCLA as Caddy Works' assistant varsity and head frosh cage coach following his graduation in 1925. He lettered in basketball, tennis and swimming at UCLA, including the captaincy of the 1925 Bruin basketball varsity.

Wilbur prepped at Glendale (Calif.) High where he starred in basketball, baseball and tennis.

He's married to the former Idelle Robelen and they have a daughter, Peggy, and a son, Mike, 12. Wilbur also is the proud grandfather of Dennis, 7, and Jennifer, 4½, his daughter's children.

Listed below are the 17 UCLA athletic teams under Johns' direction, with the head coach of each sport in parenthesis: Baseball (Art Reichle), Basketball (John Wooden), Crew (Bob Schaeffer), Cricket (Joe Drury), Cross Country (Don Vick), Football (Bill Barnes), Golf (Vic Kelley), Gymnastics (Ralph Borrelli), Rifle (Sgt. Albert Turnell), Rugby (Ged Gardner), Soccer (Jock Stewart), Swimming (Jerry Astourian), Tennis (J. D. Morgan), Track & Field (Ducky Drake), Volleyball (Glen Egstrom), Water Polo (Jerry Astourian) and Wrestling (Briggs Hunt).
